PROFESSIONAL EXPERIENCE

Fresher

TECHNICAL SKILLS

- Programming Language: JAVA
- HTML, CSS, Bootstrap, Javascript
- Database System: SQL

PROJECTS:

Online Maha E-Seva Kendra

📖 Online Maha E-Seva kendra project is a part of our academic year.In That project we used following technology:

Java, JSP/Servlet, MySQL, HTML,CSS, Bootstrap.and in that project I managed by frontend developer role.

Online Maha E Seva Kendra is a digital portal developed using Java to provide citizens easy access to various government services and documents. The platform aims to replicate the physical Maha E Seva Kendras by enabling online application, submission, and status tracking of services like Aadhar updates, income certificate requests, caste certificate issuance, and other essential public services. The project ensures a user-friendly interface and secure data handling using Java-based backend logic and MySQL for database management.
